THEIR SEATS

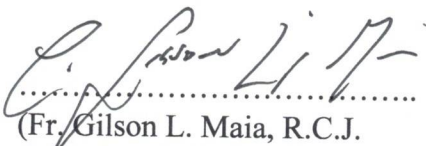

Dear Confreres

Last February 10, a booklet was published on the website of the Congregation. This booklet, already printed in Italian, contains two brief documents, respectively on the pastoral care of parishes and shrines and on youth ministry, with the following title: *“The Rogationist Mission in Parishes and Shrines – Guidelines” – “Rogationist Youth Ministry – Indicative Lines”*.

I now send you the translations in the different languages to you.

As I recall in the presentation of the two documents, they are the fruit of research begun several years ago and, in the recent past, of consultation with fellow parish priests working in different cultural contexts. It has been deemed opportune to limit ourselves to essential indications, such as directives or guidelines, since we are dealing with topics of a predominantly pastoral nature, which need to be set down with concrete choices appropriate for different socio-cultural contexts.

With the hope that these aids may promote our parish and youth apostolate, I greet you with affection in the Lord.
