To: MM.RR. Superiors

cc Family of the Rogate

Dearest Confreres,

on November 30, 1st Sunday of Advent, the year of Consecrated Life will start. We will be particularly committed to renew our vocation and mission. In this perspective I invite you to look at our Rogationist Mission Day 2015.

This appointment, according to our regulations, would like to be a precious opportunity to rediscover the “holy ideal” of the mission, as a dimension of our Christian and consecrated life and as expression of our specific charism (1).

The day comes every year to motivate always more each one of us towards the mission and at the same time to awaken , through different attention and initiatives , the persons that we meet in our apostolate (2).

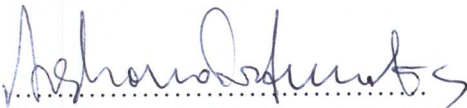

Furthermore, the Rogationist Mission Day , while aims at awaken our missionary sensibility, it calls us to a concrete act of solidarity and generosity towards some realities of the Congregation where particular exigencies are present.

In the year 2014 our support has been given for the realization of the “**Project Maumere – the good workers in the harvest of Maumere – Rogationist Seminary in Indonesia**”, Ribang, Maumere, Flores island, NTT, Indonesia.

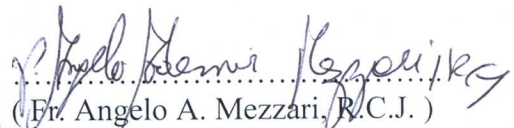

In the past days, in Maumere, our Confreres have celebrated the tenth anniversary of the presence of the Congregation in that place, and with the donations collected it was possible to start the construction of the Seminary, laying the foundations of the building. Since the financial commitment is considerable, and at the same time it is urgent to carry out, at least partially, the formation building, and welcome the vocations that the Lord continues to send, it was decided to continue to promote opportune fundraising initiatives for this urgency.

We entrust the success of the Rogationist Mission day 2015 to the Divine Superiors, through the intercession of our Founder, Saint Hannibal.

Wishing you all the best, I greet you with affection in the Lord.
