Prot. n. 91/22-cap

Subject: Prayer Resources in preparation for the 13th General Chapter

To the Most Rev. Superiors
of the Rogationist Circumscriptions
and the Rogationist Communities

Dear Confreres,

In the Easter greetings I sent you last March 25, I recalled the need to participate in the preparation of the upcoming 13th General Chapter by reviewing the *Instrumentum Laboris* which, as soon as it is ready, will be uploaded on the website of the Congregation www.rcj.org, in as much as the Chapter assembly “expresses the participation and solicitude of all the members.”

In the same message, since our fraternal unity is primarily a gift of the Spirit, I announced that Prayer Resources would be sent “with a schema for the monthly Mass and prayer encounter.”

I now forwarding to you the attached prayer aids, intended for community use during the last three months before the beginning of the General Chapter (April, May, June), that include the following:

1. Community Prayer Encounters

- There are two variations of the guide to prayer, a. with the exposition of the Blessed Sacrament, b. without the exposition of the Blessed Sacrament.
- There are three schemas, corresponding to the three themes of the General Chapter: unity, collaboration, sharing.
- The community chooses the appropriate songs related to the theme.

2. Community celebration of the Holy Mass

- Suggested Mass formulary and Readings: Masses for various needs. For Spiritual or Pastoral Gathering (no. 20)
- Suggested Preface and Eucharistic Prayer: For use of Masses for various needs. The Church on the Path of Unity.
- Prayers of the Faithful: three sets corresponding to the three themes of the 13th General Chapter: unity, collaboration, sharing.

Let us remain united in prayer, while I renew cordial wishes for a Holy Easter.
